

## **Your Determination. Our Foundation.**

### **Find Yourself Here.**

Surrounded by nationally recognized physicians, sophisticated services and programs, you will find yourself inspired to achieve and grow at **Temple University Hospital**. Our academic medical center's collegial, caring team is united by our core values of respect, service and quality.

Temple University Hospital has been ranked fourth in the Philadelphia region in *U.S. News & World Report's* first-ever Best Hospitals metro area rankings. We've also been given further recognition as one of the nation's top hospitals in 12 specialties.

We presently seek an individual with a strong Quality and Performance Improvement background to assist with the administration of a comprehensive performance improvement program for all hospital and clinical departments. Be prepared to work closely with specific units/unit managers to promote the transformation of care and ensure compliance.

#### Qualifications:

- Pennsylvania licensed Registered Nurse with five years of experience in an acute care hospital
- A degree in a health care related discipline or equivalent experience
- Minimum of three-five years of experience in Performance Improvement and/or Quality Improvement activities
- Solid understanding of the National Database of Nursing Quality Indicators, Six Sigma and ACMQ practices and principles
- Experience with team facilitation and project management
- Good PC skills (word processing, databases, spreadsheets, flow charting and statistical analysis)
- Certification in Quality Management (CPHQ) or Risk Management preferred.

As part of our team, you will be offered a competitive salary and excellent benefits including tuition assistance for you, and for your undergraduate dependants attending Temple University.
